

Dear All

Autumn 2017 International Tickets

The Society have, as usual, received an allocation of tickets for the **England v Australia game on 18 November 2017** (for the games against Argentina (11/11) and Samoa (25/11), you will need to apply directly via the RFU).

Members of the Society may apply for an initial maximum of a pair of tickets by email to [ticketsecretary@londonrugby.com](mailto:ticketsecretary@londonrugby.com) on or after 00.01hrs, Monday 4th September. The Ticket Secretary will then advise you of your allocation and provide payment arrangements before dispatching tickets towards the end of October. Should members be interested in more than 2 tickets, then, if there are additional tickets left or further tickets can be procured, a greater number of tickets may be able to be allocated to them.

Tickets are available in the following price categories - please specify in your email the maximum price bracket you are willing to accept tickets (note that the greatest number of tickets are available in the highest price category, due to availability). Note that a £3 admin fee will also be applied in addition to the ticket price below.

- £86
- £59
- £41

Should you have any questions, please do let me or the Ticket Secretary know.

Best regards,

Peter
